

Imperial College London

A photograph of the Imperial College London building at dusk. The building features a modern design with a large, illuminated glass and steel structure. The sky is a deep blue, and a bright street lamp in the foreground creates a starburst effect. Two people are standing on the sidewalk in front of the building.

Imperial College
London

Prof. Maggie Dallman
Vice President (International)
Associate Provost (Academic Partnerships)
Professor of Immunology

Key International Partnerships

MIT

- Imperial-MIT Seed Fund
- Imperial-MIT-Africa Seed Fund
